SONG OF SOLOMON - MARK DRISCOLL

What does it really mean to love? What does love look like in singleness, dating or marriage? Through the study of Song of Solomon, Mark Driscoll reveals an Old Testament understanding of biblical sexuality with current cultural clarity. Learn to celebrate God’s gift of love in all of life by walking through this timely series.

VINTAGE JESUS - MARK DRISCOLL

What do you say about who Jesus is? What do your friends say? What does our culture say about Jesus? There is no greater question. No one is more loved and hated than Jesus. “To some an aroma of life. To others an aroma of death.” Mark Driscoll walks through the Scriptures in a sometimes humorous, yet applicable way to help answer these questions and more.

DANIEL - TOMMY NELSON

Perspective is everything. Every Christian should know our Bible, and perhaps there is no more enticing and controversial topic than that of the End Times and knowing how ‘it’s all going to work out.’ Pastor Tommy Nelson explains why the book of Daniel is the key to unlocking all other Biblical passages. This is not just about figuring out how it will all end, but it is about finding our place in this journey and how knowing the end gives even more purpose, peace and intensity to living for today.

A LIFE WELL LIVED - TOMMY NELSON

Whether you are at the top of your world, or have just recently heard the worst news of your life, this study will level the playing field. Perhaps, no other study by Pastor Tommy Nelson captures the essence of life, nor gives insight into how God taught Tommy to navigate through the toughest part of his journey. Looking through the book of Ecclesiastes, chapter by chapter, Nelson seeks, finds and shares the most rewarding approach to life.
